

September 9, 2019

Dear Plan Administrator,

On September 30th, 2019, FTJ FundChoice, LLC will be rebranded as Orion Portfolio Solutions, LLC – a change that will be seen on all distributed plan documents and statements and affect future remitting instructions (updated instructions included separately).

The change reflects the opportunity for greater continuity and alignment among Orion Advisor Solutions' (formerly NorthStar Financial Services Group) subsidiaries, who will unify under the Orion family of brands.

While we expect the unification will positively benefit all plan sponsors and participants, **your current advisor relationship and plan services will not be impacted**. The advisor you work with today will continue to support your account.

Furthermore, your current plan portal will still be accessible through **www.portfoliologin.com**.

To ensure timely processing of all remittances, please refer to the updated remitting instructions, included in this mailing. If you currently send payments through a Common Remitter or TPA, please continue to transmit in that manner.

If you have any questions, please contact your advisor or Regional Service Team at 800.379.2513, option 3.

Thank You,
